

A CHRISTMAS BENEDICTION

**May the joy of Mary,
her vision of a better world
where the proud are scattered
the mighty brought low
the lowly lifted up
and the hungry filled with good things,
be ours this Christmas time.**

**May the compassion and steadfastness of Joseph,
the responsiveness of the shepherds,
the generosity and adventure of the wise travellers,
the good tidings of the angels,
be ours this Christmas.**

**May the vision of Jesus
infuse our lives together
as we give thanks
for the blessing of each sister,
for those who are with us in spirit.
and for the fruits of Earth
which nourish our beings.**

Amen
