

BRIGIDINE SAFEGUARDING REFERENCE GROUP AUSTRALIA (BSRGA)

*To act justly and to love tenderly and to walk humbly with your God.
(Micah 6:8)*

TERMS OF REFERENCE

1. Introduction

- 1.1. As Sisters of St Brigid (Brigidine Sisters) we are committed to living in right relationships with all. We intend that these relationships, especially with the most marginalised, will be characterised by compassion, respect and justice.
- 1.2. In the last number of years, we have sadly awoken to the reality of sexual, emotional and physical abuse of children, young people and vulnerable adults at risk in our midst and the pervasive impact of this in terms of life long trauma. In the wake of this we are called to be in solidarity with those who have been hurt and traumatised and to be part of the healing and reconciliation process.
- 1.3. Thus the 2018 Council of the Congregation developed a Congregational Safeguarding Statement:

As a congregation of Brigidine sisters we value the right of every person to dignity and respect. We are committed to establishing right relationships and just structures within our Communities and in our ministries. We protect the well-being of all people and ensure that appropriate measures are in place for the safety of children and vulnerable adults.

Our policies and procedures for safeguarding children and vulnerable adults are in line with the relevant guidelines and legislation in each civil jurisdiction in which our sisters, their colleagues, employees and volunteers are engaged in ministry. The Brigidine sisters fully comply and cooperate with civil law in each jurisdiction where they work and with Canon law.

Safeguarding policies are reviewed every three years or updated according to changes in the requirements of the civil jurisdictions in which our communities are involved in ministry.

Appropriate ongoing training and education is provided regularly for all our sisters, employees and volunteers.

Where Brigidine sisters work in other than Brigidine sponsored ministries they follow the safeguarding policies of the organisations in which they work, having received clearance for such ministry from the relevant civil authority. In the absence of there being appropriate policies in these workplaces, sisters follow their Brigidine Community policy and procedures.¹
