

Easter is here!

*Christ is risen from the dead
– and we are grateful, O Christ,
that you chose not to rise alone but
to lead all of us together to resurrection
and new life.*

*Our hearts rejoice in this resurrection
which releases us from the fear of death.*

*We pray that our living your resurrection this Easter
may reveal and guide us
in your vision for the common good,
embodying solidarity and compassion.*

*We pray for the commitment to make the necessary choices
in our politics and in our policies
to bring about a flourishing, renewed society.*

May Easter be lived by all of us together!

Amen.
